

## INSTRUCTIONS TO RECORD VIDEOS

1. The video should be a one-shot continuous video. It should not be edited in any manner. Teams uploading an edited video will be disqualified from e-YRC. e-Yantra reserves the rights to disqualify any team if foul play is suspected.
2. The resolution of the video should be good enough for judging. You have to use a 3.2 MP camera or higher to shoot the video.
3. The videos should be in one of the following formats: .avi, .mp4
4. The complete flex should be visible in the video.
5. Upload the video on YouTube with the title: eYRC-FW#TeamID\_Task1 (For example: If your team Id is 25 save it as eYRC-FW#25\_Task1).
6. Please note that while uploading the video on YouTube select the privacy setting option as Unlisted. Refer to the figure below

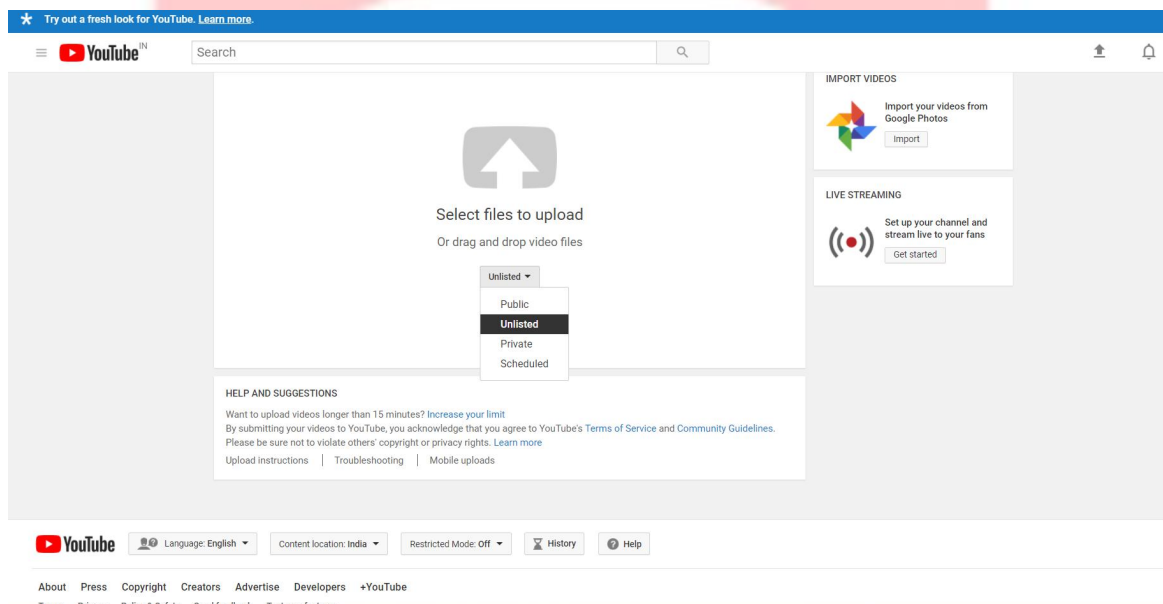

Figure 1: Unlisted Video Upload

7. You need to paste the YouTube video links of your uploaded videos for Task1B on the portal.

**Note:** Please ensure that the video uploaded is of good quality and conforms to the instructions given above.
